

MedSkin Solutions Dr. Suwelack

We are a leading and globally expanding medium-sized company with two locations in Germany and additional employees working for us internationally. Based on scientific research and thanks to our unique production methods, biomaterials retain their natural properties and ensure the outstanding performance of our products. With innovation and passion, we develop, manufacture, and market regenerative medical and skincare products. In our MedCare division, we focus on developing innovative solutions for wound care and tissue regeneration. Our mission is to improve the lives of patients worldwide.

We are seeking:

(Junior) Medical Affairs Manager (m/w/d)

The Role

- Provide medical and scientific support to internal teams, including marketing, sales, and R&D, as well as external stakeholders, including medical and academic experts.
- Summarize scientific articles, interpret clinical data and communicate scientific conclusions.
- Conduct scientific and medical literature reviews and prepare reports and presentations for internal and external stakeholders.
- Ensure compliance with all regulatory requirements and company policies.
- Support the development and execution of clinical studies and trials.
- Represent the company at medical educational events, programs, medical meetings, and scientific conventions.

Your Profile

- MSc or PhD in a scientific or healthcare-related field.

- Ideally, experience in a health-related field, preferably in pharma or medical technology. Relevant experience in clinical and/or medical affairs is advantageous.
- Strong relationship-building skills, particularly with the medical/academic community.
- Team-oriented with the ability to work effectively with cross-functional teams.
- Strong project management skills. Ability to work independently in a fast-paced, dynamic environment.
- Fluency in English. Willingness to travel as required.

Application

If you are passionate about making a difference in the field of wound care and tissue regeneration and have the experience and qualifications we are looking for, we encourage you to apply for this exciting opportunity:
